EDITORIAL'S MESSAGE

DEAR READERS,

GREETINGS TO ALL !!!!!!

"START BY DOING WHAT IS NECESSARY;THEN DO WHAT IS POSSIBLE; AND SUDDENLY YOU ARE DOING THE IMPOSSIBLE!!"

Welcome back to yet another exciting school year with new learning and experiences as we look forward to opening new vistas in the domain of education and scaling new heights.

Education plays a vital role in enabling a person to face real life situations with adequate knowledge. School is a temple of learning and so we, as a team, are making the best efforts to lend quality education to our students. Ours is a daily struggle to provide the best to our children and this relentless quest is not a destination ..... But , a consistent JOURNEY for us. We wish our students to search for their own perfect ideals and work with dedication towards reaching them. Education, above all, is all about unlocking and unleashing that each of our student is a valuable asset not only for the school or family but for the whole humanity.

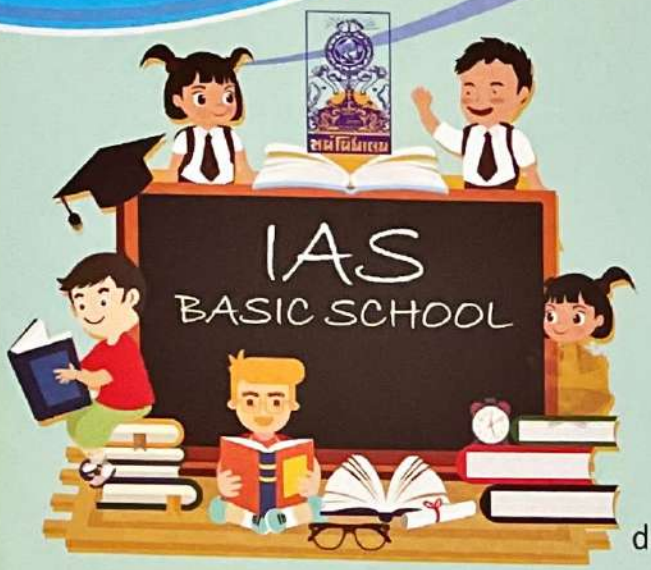
COMPETITIONS



Education at school level primarily focuses on development of cognitive skills in various arenas of language, art, science, literature and mathematics. To meet the present standards, our School offers IAS basic course to its students in collaboration with Mamta IAS Centre. It has started three years back for the students of standard VI to IX. This course is implemented in two phases (i) Basic course for fresher and (ii) Advanced Level of training for those who have successfully completed Basic Course. The candidates are selected on the basis of an entrance exam and viva tests and have to attend the classes in the weekend to gear up their knowledge. The school management acknowledges the efforts of the course centre for preparing the students for different competitive exams and providing a platform for better and brighter future of the deserving candidates.

Facing Challenges in life – Student's Test..!!

N.P. : Students have to fill in the blanks with appropriate words.

Once a teacher asked two of his students to come and meet him _____ start of a track which was near a forest.

Student reached there on the decided time and greeted their teacher. Teacher showed them track ____ said," You both have to start here and reach end the point of truck.. Completing this track will also affect the result of test which will happen next week.."

He wished them luck and started race.. Both of them started together. Just after __ while students saw that track was divided into two path.

First student decided to follow path which seemed clear and was easier to go through. Where as second student decided to go by the path which was not so easy as it was blocked by fallen logs and other obstacles.

First student finished the task first and felt clever ____ he came first and passed that track easily avoiding all ____ hindrances and obstacles of other path.

Second student took while to reach end point as he ____ to pass through that path battling obstacles in that path. Second student was happy ____ he was able to complete that race despite taking difficult path.

When second student reached end point, first student proudly said, "I am glad I chose easier path as they would have only slow me down..."

Teacher smiled and asked them to join him ____ specific location ____ next week test. Next week, the students and the teacher meet at the decided location. For next test students____ called near a ravine.

Teacher looked at students and said, "You have to jump to other side of this ravine.."

Students were taken back as the distance was few metres wide. First student saw the width of ravine and couldn't get courage to jump it as he never ____ that before. He got scared and stepped back____ test.

Then teacher looked ____ second student. Second student remember his track of his last test and how he jumped wide gaps there.

He measured his run up, sprinted towards the ravine and launched himself into the air..and he made it...!!

After completing test, Teacher said to first student, "In your previous test the difficult path ____ made such a way that completing it ____ have prepared you for this one. When you chose easier path it helped you to complete that test easily but you were not able ____ prepare for the tougher exams."

Moral :

Whenever you face difficulties in life, you shouldn't get scared and understand that life is meant to be a series of challenges that we overcome, not avoid. Don't pray that god will remove the obstacles, pray that he will give you the strength to overcome them.

Investiture Ceremony - 2019

Leadership is the capacity to translate vision into reality. —Warren Bennis

The Investiture Ceremony of S.G. English Medium School for the academic session 2019-20 was held with great pomp and dignity on 3rd- July, 2019. The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly elected students. Representing the mantle of accountability, they also pledge to bestow their duties to the best of their abilities for the school believing them to be more responsible citizens in future. The ceremony was held with lot of zeal and zest. It commenced with the lighting of the lamp by guests followed by a Prayer song, which signifies the removal of darkness. The elected Leaders' vigorously entered with a passionate parade drill and the stage was overtaken by them. They were conferred with badges by parents and teachers. The students' council took an oath to hold the ideals of Loyalty, Truth and Honour in high esteem. The function concluded with the National Anthem

Parents' Orientation Ceremony - 2019

The Orientation Program is an opportunity for the new students as well as Grade 1 parents of the school to learn how to navigate this campus. It was arranged on 22nd – June, 2019 to introduce S.G. & S.V. English Medium Primary Schools. This was a formal welcome to the parents to the school family and it familiarized them with culture and code of conduct of the School campus. It also included the information about examinations, activities, rules and regulations, teaching staff, administrative functions and infrastructure of the school. This academic year, the orientation program was organized for Grade 1st to 8th fresher students and had commenced with a melodious prayer song and rejuvenating welcome dance.

Swachhagraha

स्वच्छाग्रह

Under the ***Paryavaran Mitra*** project of ***Centre for Environmental Education (CEE)***, our students came forward and started managing the waste on their own. In our school, the students have taken it as a challenge and have became true Swachhagrahis. "One who emphasis on Cleanliness." Here are the glimpses of Swachhagraha Abhiyan – a cleanliness Campaign started by our students.

Educational Visits

Our school has organized field trips for each Class every year. Students had the opportunity to learn through educational experiences away from their regular school environment. It is helpful in the development and growth as well as overall personality development.
