LITTLE PLANT

In the heart of a seed,
Buried deep so deep.
A tiny little plant
Lay fast asleep.
"Wake, said the sunshine,
"And creep to the light."
"Wake." said the voice
Of the raindrops bright.

RAIN

Rain is falling. Rain is falling on the hills, mountains, rivers, and oceans and trees, which are so tall.

I like the rain. The water drains. The climate chills, and water fills the streets.

I wait for the rain. So I make the train. This floats on the water. Just like the boats.

But don't get wet in the rain. As we will fall, I'll enjoy the rain while sitting at home. Watch the water falling on the dome.

A CAT

If something is important, a cat will sit on it. Or if it's breakable, a cat will sit on it. And if it's white, a black cat will sit on it. But if it's black, a white cat will sit on it. No matter how hard you try, they do as they please. And for some strange reason, we love them anyway.
